Dear Judge Alison J. Nathan,

I Am Writing You Pertaining To My Home Confinement Arrangements. The Date I Was Given When First Placed On Home-Confinement Was Questioned From The Beginning & I Was Told By My Probation Officer That He Would Contact You For My Time To Be Corrected & Resolved. I've Written BOP Aswell As The Lawyer (Mr. Zenato) And Both Has Been Of No Success So Far. Its To My Understanding That My Earned GCI Is Being Detracted Due To Circumstances Of The Compassionate Release Granted To Me. The Weight Of The Ankle Bracelet Placed On Me Has A Stagnant Aura In Which Opportunity Is Conceptually Inexhaustible. The Calculations They Currently Presume For My Release OF The Location Monitoring Program Is My Expiration Full Term Date Which Is September 21, 2022. Its To My Understanding That They Misunderstood or Misinterpreted From Your Set Order To Serve My Remaining Portion Of My Original Term, As Calculated By The BOP, Under Home Confinement, My Two-Thirds Date Is July 25<sup>th</sup> 2020 In Which I Believe That My Home Confinement Would Have Concluded By Present If The Calculations ~~of~~ My Original Term Was Followed. May You Please Grant Enlightment Upon This Circumstance Along With An Unbending Order On The Terms You Set Forth.

Sincerely,  
David Jones
